Dear Florida High School Swim Coach:

The Florida Swimming Pool Association (FSPA) announces the **43rd Annual FSPA High School Invitational Swim Meet** to benefit the Florida Swims Foundation. We invite your school to participate in this statewide event which draws more than 65 teams and nearly 1,600 competitors. We are excited to work with Sailfish Splash Aquatic Athletics Center (Stuart, FL) as the location of the 2021 meet.

- Same facility as state finals, makes this a great chance to become familiar with the pool.
- A break(s) will be included in the finals on Saturday. Details during the coaches meeting.
- This is an outdoor pool with limited shade. Teams may want to bring pop-up tents to use on the deck. Spectator seating is uncovered; please make parents aware.
- Parking is free.
- Coaches are responsible for picking up all wristbands and getting them to athletes prior to entry to the pool deck.
- On Friday, coaches may pick up credentials for their Saturday athletes to allow them free entry to the Developmental event. Coaches are responsible for picking up all wristbands and getting them to athletes prior to entry to the pool deck.
- We have opted not to include diving this year. We may bring it back next year.

The 2021 meet includes the optional *Developmental* program for swimmers whose times do not qualify for participation in the *Invitational* meet. The Florida Swimming Pool Association hopes that many schools will use the Developmental event to introduce their newer swimmers to competition and give them the chance to swim in one of the finest facilities in the country.

Your official information package for the *Developmental* and *Invitational* swim meets is enclosed. Information can also be found at www.FSPASwimMeet.com. **Please pay special attention to all general information details. No entry forms without payment, no exceptions, and no late entries will be accepted.**

Also to be posted soon at www.FSPASwimMeet.com is a link to hotels offering special pricing when you call for reservations and reference the event. Within this packet there is a list of the FSPA Chapters - we encourage your school to contact your local Chapter for sponsorship opportunities to help cover your costs.

We look forward to your school participating in this 43rd annual event. Deadline for entries is Monday, September 13, 2021 at 5:00 p.m. **No late entries will be accepted.** Please do not hesitate to contact me directly if you have any questions or require additional information.

Sincerely,

Charis Tyson
Meet Director

Hy-Tek Steps

- To import meet events in Team Manager, download the files from www.FSPASwimMeet.com
- Make note of where you download the file. The file is zipped and you will have to extract the file. Generally, if you right click on the file you can choose "extract to".
- Then, open Team Manager.
- Next, click on File and then Import and then Meet Events
- Finally, click on the appropriate file you unzipped, depending on which meet you are doing entries for.
- Repeat using the other file if there are athletes in both meets. Now the meets are in Team Manager.
- Set up your entries including your relays by opening each meet and making your choices. This assumes that you already have your athletes set up in Team manager. You should be using it for all your meet entries.
- To export meet entries send them from Team Manager.
- Then, click on File and then Export and then Meet Entries.
- A screen will come up where you can select the meet you want to export entries for - be sure to click the box "Export Relays."
- Then Click OK. This process will create a file -- note the name and location of the file so you can send it again. You will have to repeat this if you are entering athletes in both meets.
- You should end up with two files - one for each meet. You must indicate which file is for which meet. You can then e-mail the files, this is required. When you e-mail your file to FSPASwim@gmail.com, it can be checked right away so if there are any problems, you can make corrections immediately.
- When you send Scott the e-mail, he will download it and send a confirming e-mail back to let you know how many athletes, entries and relays were imported. **In your e-mail, include your cell phone number and which meet you have entered (Invitational or Developmental).**
- **You must send a paper copy of the entries that you can print off of Team manager with your check to complete the registration process.**
