Criteria for Membership

The business activities must include those products or services used in the swimming pool and spa industry.

The membership must be with the Chapter where the applicant's principal office or place of business is geographically located, unless otherwise agreed to with another Chapter and the approval of FSPA.

The applicant shall have tendered the appropriate amount in payment for dues.

The individual making the application shall have been in business for a period of at least one year. For those in their first year of business, a provisional membership application is available.

The applicant shall hold all necessary and relevant state and local licenses and permits.

The business is conducted in a manner which leads to the satisfactory resolution of all significant and meritorious consumer complaints made to FSPA or a Chapter thereof, a Better Business Bureau or governmental authority.

The business is conducted in a financially responsible manner such that neither the business nor its principals shall have been adjudged guilty by a court of competent jurisdiction during the past three years of any felony or misdemeanor involving business or financial practices.

Neither the applicant nor its principals shall have misused the FSPA logo during the past two years unless the applicant shall pay proper dues for the year(s) of misuse or make other settlement with FSPA.

The applicant agrees to abide by the Association's Code of Ethics.

FSPA Code of Ethics

Believing that honesty and integrity, high ideals and concern for the welfare of the pool industry and the public we serve are both desirable and necessary, and in a sincere effort to promote the mission of the Association, members of the FSPA pledge themselves to:

- Keep honesty as our guiding business policy.
- Comply with the spirit and letter of business contracts, existing laws and codes, and manage employees, subcontractors and suppliers with fairness and honor.
- Provide fair and expeditious response to claims covered under warranty.
- Work for the benefit of the consumer through the use of quality materials and construction practices backed by integrity and service.
- Keep informed regarding public policies and other essential information which may affect our business interests and those of the pool industry as a whole by attending the minimum number of association meetings as prescribed by my local Chapter.
- Promote the concepts of free enterprise and service to the public and the industry.
- Make all advertising and sales promotion factually accurate, use only competent testimonials, avoid those practices which tend to mislead or deceive the customer, and refrain from false or misleading criticism of competitors.
- Support and abide by the decisions of the Association in promoting and enforcing this Code of Ethics and cooperate with any investigation related to such enforcement.
