

COVID-19 Response Commercial Pool Operation Check List

Social Distancing

- Remove all deck chairs and furniture from the pool deck OR space all deck furniture a minimum of 6 feet apart.
- Limit swimming pool and spa bathing load to 10 or less at a time.
- Patrons exhibiting COVID-19 symptoms should be asked to leave the swimming pool and spa area immediately.

Sanitation

- Implement a sanitation/cleaning schedule for gates, doors, handrails, and commonly touched surfaces in the swimming pool and deck area.
- Continue regular swimming pool and spa testing, cleaning, and maintenance.
- Increase the frequency of sanitation/cleaning of swimming pool sanitary facilities.
- Ensure swimming pool sanitary facilities are adequately supplied with soap for hand washing.
- Require that employees or volunteers wear gloves for all cleaning, sanitation, and trash removal (Dispose of gloves immediately after the task is completed).

Signage

- Signage barring patrons with COVID-19 symptoms from entering the swimming pool and area, sharing CDC recommendations that encourage staying home when sick, cough and sneeze etiquette, and hand hygiene are to be placed at the entrance to of the swimming pool and spa area and in other prominent areas.
