Questions

Contact FSPA Entry Managers Scott Kimmelman (772) 462-7760 or Joe Massimino (772) 462-7779.

Hy-Tek Steps

- To import meet events in Team Manager, download the files from www.FSPASwimMeet.com
- Make note of where you download the file. The file is zipped and you will have to extract the file. Generally, if you right click on the file you can choose "extract to".
- Then, open Team Manager.
- Next, click on File and then Import and then Meet Events
- Finally, click on the appropriate file you unzipped, depending on which meet you are doing entries for.
- Repeat using the other file if there are athletes in both meets. Now the meets are in Team Manager.
- Set up your entries including relays by opening each meet and making your choices. This assumes that you already have your athletes set up in Team manager. You should be using it for all your meet entries.
- To export meet entries send them from Team Manager.
- Then, click on File and then Export and then Meet Entries.
- A screen will come up where you can select the meet you want to export entries for - be sure to click the box "Export Relays."
- Then Click OK. This process will create a file -- note the name and location of the file so you can send it again. You will have to repeat this if you are entering athletes in both meets.
- You should end up with two files - one for each meet. You must indicate which file is for which meet. You can then e-mail the files, this is required. When you e-mail your file to FSPASwim@gmail.com, it can be checked right away so if there are any problems, you can make corrections immediately.
- When you send Scott the e-mail, he will download it and send a confirming e-mail back to let you know how many athletes, entries and relays were imported. **In your e-mail, include your cell phone number and which meet you have entered (Invitational or Developmental).**
- **You must send a paper copy of the entries that you can print from Team manager with your check to complete the registration process.**
- **All entries for diving must follow the posted procedures. The diving will be using eDive as the meet management software. This requires the coaches to enter the athletes' dive list prior to the competition beginning. Changes can be made to the list upon arrival.**
 - ◆ All information on entry procedures is posted at www.FSPASwimMeet.com
