LOCAL POOL BUSINESS OWNER WINS TOPS-IN-TRUCKS AWARD

Largo –The Florida Swimming Pool Association (FSPA) recognized Largo-based Triangle Pools Inc. (TPS) by awarding them with a Tops-in-Trucks award at the annual *Everything Under the Sunsm Expo*, the premier event of the swimming pool industry. This award recognizes outstanding fleet vehicle graphics and excellent modifications of service and repair trucks.

“Just like any business, pool companies who display their graphics on their trucks will see a big return on investment,” said Wendy Parker Barsell. “This award is also our way of recognizing Florida Pool Pros who are leading the way everyday as they serve customers throughout Florida.”

Their design, which has the iconic swimming girl, was created by company president David Maynard in 1996. It is now on five delivery trucks, two flatbed trucks, five repair vans, 30 cleaning pick-up trucks, four- F150 trucks and one boat.

“TPS is very proud to be awarded Tops-in-Trucks on behalf of FSPA,” said David Maynard, President. “We realize that it takes an organization to execute properly in order to grow and maintain a superior reputation. TPS understands that vehicle appearance is a crucial component of overall reputation.”

The Florida Swimming Pool Association is a trade association for the pool and spa industry in Florida. There are approximately 700 member businesses in 16 chapters across the state. Members are required to abide by a code of ethics and to be properly licensed and insured. FSPA provides the industry with access to continuing education courses, information on current trends and issues, an arbitration program and government relations representation.
